**General Letter of Recommendation for Matthew Armstrong**

This letter of Recommendation is in support of Matthew Armstrong, A Graduate Student at the Savannah College of Art and Design. I have known Matthew in my capacity as a Business Professor, where Matthew learned business and finance applications for Design Management in his progress towards a Master's Degree in Creative Business Leadership. He is a very bright and talented student, earning strong performance grades in all key assignments.

Matthew impressed me with a uniquely strong interest and understanding of financial concepts, and his ability to learn and apply many difficult personal and business finance topics. His positive attitude and strong participation in class set a high bar for his fellow students, and he continues to grow in general business and financial literacy. Matthew has also taken the lead to be a founder of a new Investment Club currently being formed at the College, all while performing well on the SCAD cycling team.

I believe Matthew will be a good addition to any organization, as a leader, analyst, and diligent team player. If you should need any additional information, please feel free to contact me.

Sincerely,

A handwritten signature in blue ink, appearing to read "Michael E. Lindsey", with a long horizontal line extending to the right.

Michael E. Lindsey  
Professor, Design Management and Creative Business Leadership
